

NOTES AND NEWS

Redeemer Renaissance After-School Program

Friday, November 20, 2009

Redeemer Renaissance is closed
November 25th, 26th, and 27th for Thanksgiving.

Week In Review

On Monday, the Renaissance kids cut out, baked, iced and ate leaf-shaped gingerbread cookies. We took advantage of the great

weather and spent as much time as possible outside on Tuesday. The children also started Thanksgiving crafts on Tuesday which continued the remainder of the week.

You Are Invited

On December 18th, Lutheran Church of Redeemer will host the annual Living Nativity. So that your family can enjoy the presentation without your stomachs growling, Redeemer Renaissance will provide a light supper that you can enjoy with your children when you come to pick them up. Please plan to join us in the Preschool POD for sandwiches and chicken nuggets starting at 5:00.

Operation Christmas Child

Our shoeboxes chocked full of toys, candy, school supplies, and personal items were delivered on Tuesday morning. Thank you again for supporting this initiative.

December Community Service

Our Community Service Project for December will be a mitten tree. We will be asking the Renaissance Kids to decorate a Christmas tree with mittens, socks, and scarves for the young children served by the National Center for Children and Families.
